MACAU UNIVERSITY OF SCIENCE AND TECHNOLOGY

Regulations of the University Motor Vehicle (Regulation No.: ADMGA/123-05/AUG24-I)

Macau University of Science and Technology (hereinafter referred to as "the University") is responsible for formulating, revising and publishing this Regulations of the University Motor Vehicle. The campus car park[®] of the University (hereinafter referred to as "The University car park") is managed by the General Affairs Office.

staff. Security personnel can enforce and address violations of parking regulations on campus.

7. Identify Verification: In addition to presenting the University-issued Permit, the security staff reserves the right to request that users present a valid Student ID

expired will be considered abandoned. The university reserves the right to dispose of these abandoned vehicles at the expense of the permit holder, vehicle owner, or driver;

8.9 Handling of Traffic Flow or Dangerous Vehicles: The University reserves the right to remove any vehicles that obstruct the traffic flow or will cause possible danger. All drivers/users should ensure that vehicles are parked in an orderly manner so as not to obstruct traffic;

8.10 Prohibition of vehicle maintenance within the campus: No car repairs are permitted within the campus. A prior notice in writing or via email to the General Affairs Office is needed before the Permit holder hires a repair company to tow his vehicle away;

8.11 Prohibition of Illegal Charging: Illegal charging is strictly prohibited on the campus; once discovered, security staff will stop it and lock the vehicle;

8.12 Temporary Traffic Management Measures: To accommodate campus management needs, the university reserves the right to implement temporary

as needed.

All drivers and users must pay attention to campus traffic notices and announcements to understand and comply with any relevant temporary traffic management directives.

II. Management of Special Circumstances

1. The university car parks will be closed and parking suspended in the event of a typhoon, adverse weather conditions, or other emergencies as announced by the university.

III. Responsibilities of Users:

1. Safe Driving: All drivers must drive carefully within the campus and the

driver will be the

University car park for the safety of others; otherwise, the owner

will be punished by

solely responsible for any loss or accident caused. It shall

IV. Vehicle Access Restrictions

1. The University reserves the right to exclude from the

illegal parking, reverse parking, reverse driving, speeding, and vehicles parked during non-opening hours of the University's parking lot, the security staff will issue them a " Vehicle Violation Notice" and take pictures on the spot for record; All vehicles under the name of a Permit holder with three "Vehicle Violation Notices" in a year will be denied parking rights to the University car park; The security staff shall immobilize and boot the vehicle if the violation is made by a person without a valid Permit.

2. Violators whose parking rights have been suspended can apply for a new Permit one year after by submitting relevant documents and paying an administration fee of MOP 300. For application for the Permit due to more than one suspension of parking rights, the administration fee shall be the double of that of the previous application.
3. For immobilized vehicles, the administration fee is calculated at MOP 250 per day. The owner or driver can pay the administration fee at the Service counter of the General Affairs Office during office hours and fill in relevant information to apply for mobilization.
4. The University reserves its rights to amend, add or cancel part(s) or all the terms of the rules or adopt new policies. The most updated version will be posted on the University website, www.must.edu.mo.
5. In case of any appeal, the University reserves the right of final decision.
6. For queries and emergencies, please contact the General Affairs Office at 8897-2233 or via email admga@must.edu.mo during office hours.
