

BUSINESS JAPANESE

International Student Employment Promotion Program
implemented by the Ministry of Education, Culture, Sports, Science and Technology
(MEXT)

In this course, you will learn about Japanese language, cultural knowledge, manners, skills, etc. that are required in business situations.

This is a valuable opportunity to learn from experts in each field about carefully selected topics. It also includes exam preparation for the "BJT Business Japanese Proficiency Test" (Japan Kanji Aptitude Testing Foundation), which will be a great help in job hunting for international students. If you plan to take the BJT exam, this course will be of great use to you.

You can freely choose a lecture you are interested in from all 20 lectures. Do not miss this opportunity to deepen your understanding of business Japanese and culture and use it for your future career development.
